

## S.M.A.T.V.A. (Safety-Minded ATV Association) CONTRIBUTING TO THE LOCAL COMMUNITY!

SMATVA members are active in the community all year long by volunteering to help the St. Margaret's Bay Rails to Trails to maintain the trails, signage and bridges. The Association also supports local charities and fundraisers whenever we can.

**Top Left:** Juanita Stevens, Mgr. and Kathleen Jennings, Asst. Mgr., SMB Food Bank shown with Tom Arnold and Mike Marriott from SMATVA, accepting a recent donation of \$500 worth of groceries + \$100 cash, purchased with donations from an April Rally food drive. Many thanks for the support of Atlantic Superstore Manager, Kelly Murphy and SAP, Sherry Brisson.

**Top Right:** SMATVA members volunteered to help clear and complete a Parking lot behind the Redmond's Tantallon Mall site the week of April 20-24th. Project Funding was provided by the St. Margaret's Bay Rails to Trails. The parking lot will improve safe access for all trail users. Bike racks, tables and signage will be installed soon near the trail entrance. If you'd like to become a member of SMATVA and ATVANS and meet fellow enthusiasts for fun on the trails, visit our website [www.smatva.ca](http://www.smatva.ca). It's easy to join and only costs \$35.00 which includes a trail permit to access protected trails. Club meetings are held 7:30 pm every 3rd Monday of each month at our clubhouse 15 Station Road, Head of St. Margaret's Bay.
